Dear Lori,

On behalf of the youth membership, BBYO Board of Directors, Colon Cancer Canada, the Canadian Memorial Chiropractic College volunteers and professional staff, I would like to thank you for your donation to our 15th Annual Friends & Alumni Golf Tournament.

Inspired by our past and motivated by the challenges of the future, BBYO works with youth through its outreach programs, i.e. volunteerism, program planning, fundraising techniques, running meetings, public speaking and advocacy, in order to develop their leadership skills and self confidence. These programs enable teens to learn the meaning of community and to acquire the skills to become productive and self-reliant individuals who will participate in both the Jewish and general community as adults.

All proceeds from the Golf Tournament go towards the support of the BBYO teens Lake Ontario Region, as well as, a portion going to Colon Cancer Canada and the Canadian Memorial Chiropractic College.

I look forward to your participation in our 2010 Golf Tournament.

Thank you again for your ongoing support.

Yours truly,
