Dear Lori,

We would like to thank you for your contribution to the 4th Annual *Mindy Kirsh Memorial Bridge To The Cure Bridge and MahJongg Luncheon*.

After tallying the final numbers, we thought you would be pleased to hear that you helped us raise over **\$130,000** to support Ovarian Cancer Research at Princess Margaret Hospital. The money raised from the event will enable the distinguished team at Princess Margaret Hospital make significant advances in conquering ovarian cancer.

The response we received for our 4th annual *Bridge To The Cure* was fabulous! Everyone had a terrific afternoon enjoying a gourmet lunch, a fabulous silent auction and a wonderful afternoon of Bridge and MahJongg.

You have helped to ensure that we can continue to undertake the important work that needs to be done in defeating ovarian cancer.

Your participation and generous support made *Bridge To The Cure* possible. Thank you for helping Princess Margaret Hospital in their continued quest to conquer ovarian cancer.

We look forward to your support next year.

Sincerely,

Anita Gertin
