Dear Ma's Kitchen:

On behalf of SickKids Foundation, thank you for organizing your fundraising event and raising \$150.00 in support of The Hospital for Sick Children. We truly value the time and effort you've spent on producing a successful event and appreciate all that you have done to support SickKids.

As our new "Believe" campaign emphasizes, we believe all children deserve the right to be healthy. With your on-going support and dedication, we truly believe that we can make a big difference in the lives of children treated at the hospital.

SickKids is a world leader in paediatric health care and research and rely on the help of community partners like you to ensure that we can continue the world class work that SickKids has become known for.

Our commitment to excellence, which is strengthened in so many ways through the generous gifts of friends like you, will lead to more pioneering accomplishments. Those achievements will have a lasting impact on paediatric medicine here in Canada and around the world.

Thank you once again for your generosity. The gift you have made is a gift to children everywhere.

Yours sincerely,

Jade De Ciccio
Development Coordinator
